

PT. Elbana Karsa Logistik
International Air & Sea Freight Forwarding

COMPANY PROFILE

About Us

PT. Elbana Karsa Logistik is one of the shipping service companies in Indonesia and was founded in 2014, having an office at Ruko Harapan Baru Regency, Jl. Nusa Indah Raya Blok G No. 5 West Bekasi 17133. The development of the times and the competition for shipping service companies, we as newcomers provide excellent service, always innovate, on time and safely to the destination. In addition, we are supported by professional and experienced staff so that they are trusted by several state and private companies.

PT. Elbana Karsa Logistik has an integrated network and services from within and outside the country, land, sea and air to carry out distribution from transportation to delivery to the destination safely, quickly and on time. Providing excellent service accompanied by integrated supervision is expected to provide customer satisfaction. We also cooperate with domestic and international shipping and agents to widen our range of services. PT. Elbana Karsa Logistik is here not only to be a solution, but also as a partner who supports each other in the smooth development of your business. Maintaining the trustworthiness of your shipment is our main responsibility in providing excellent service, speed and on time delivery.
